

Residential Deposits As of September 1, 2009

The deposit may be waived if the customer has a satisfactory credit inquiry. If a co-signer signs for service, the co-signer must have a satisfactory credit inquiry for the deposit to be waived. The credit inquiry is performed by a third party vendor. Please call (423) 472-4521 for more information on credit inquiries.

Deposits for commercial services vary and are set for each location by the Collection Department. These deposits are based on three factors:

- 1.) Past Usage history for the location.
- 2.) Estimated usage for the business to be located there.
- 3.) Past pay history of the business and responsible parties
