

CLEVELAND UTILITIES JOB OPENING – PRE-APPRENTICE UTILITY CRAFTSWORKER

Cleveland Utilities is seeking a Pre-Apprentice in our Water Distribution Department. The position consists of working with a service crew team in the installation and repairs of water mains, service lines, valves, water meters, fire hydrants, etc. This position requires working in the excavation site where the utility is located. Will include daily stocking, inspection and cleaning of crew vehicles and other duties as directed by Foreman/Supervisor.

PERSONAL REQUIREMENTS:

- High school diploma or equivalent.
- A valid Class “A” Tennessee Driver’s License with an “N” endorsement preferred or the ability to obtain.
- Basic computer skills and knowledge of Microsoft Office.
- Ability to obtain Distribution II and Collection II license.
- Ability to cooperate with coworkers and work as a team.
- Must be self-motivated and have good time management skills.
- Must be able to work after regular working hours when needed.
- Mechanically inclined.
- Ability to meet all requirements to enter Cleveland Utilities’ Utility Craftsworker Apprentices Program.

PHYSICAL REQUIREMENTS:

- Ability to load and unload boring machine and tapping machine weighing up to 150 pounds with assistance.
- Ability to handle torque of operating water and sewer valves.
- Ability to use jackhammers weighing up to 90 pounds.
- Ability to lift and carry water or sewer pipe weighing up to 70 pounds.
- Ability to use hand tools including wrenches, shovels, pipe saws, pavement cutting saws, etc.
- Ability to work in extreme weather conditions.
- Ability to operate a motor vehicle.
- Ability to participate in the Utility Craftsworker Apprentices program.

Qualified applicants should submit a resume by Friday, May 18, 2018, to:
