

New Construction Application
For Residential & Commercial www.clevelandutilities.com

When applying for temporary or permanent service you will be required to provide a copy of your building permit from the city or county. This can be brought to the main office or sent via email to: applications@clevelandutilities.com

Any request for new construction will not be submitted to Cleveland Utilities Engineering Department until all permits and information is provided, which could result in a delay in service installation. All commercial accounts require deposit
